one scary Halloween morning there was a call from the museum saying that they need a ninja I was like what? This is like a copy of The first episode Ninjago possession the 5th season in the Ninjago season. And I wasn't even a Ninja which I wish to happen so I made a Deepstone Lloyd costume made of real deepstone metal. I went to the museum and here's what one of police men said "Well look who it is the green ninja feel safer already." I shoved away the drawers and said "look I don't wanna hurt you!" But the ghost came out of the guards body and possessed a picture laughing and I threw it on the ground and the ghost possessed a golden snake statue and said "You think you can hurt a ghost your powers are useless I can possess anything!" The guard was complaining and said when he was in his head he read his thoughts the world will be cursed! I told the guard to give me the allied armor quickly but a few seconds later it was too late the ghost was wearing and I said " You can't have the armor!" And then he said "The armor is nice but that's not the only thing I wanna possess." And I said "What else do you want?" And he said "You!" I screamed when he entered my body and he took it over until.....
